PRECONTRACT APPROVAL RECORD (PART TWO)	CONTRACT
<p>The services and equipment being procured by this Contract No. <u>EG-400</u>  <u>T. O. # 10, Amend. #5</u> are in furtherance of the <u>NRO</u>  Program(s), the nature of which cannot be publicly disclosed for security rea-  sons. The Contracting Officer therefore determines that this procurement must  be accomplished by negotiations pursuant to the authority of Section 3(a) of  PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  15 October 1961.</p> <p>Certification of funds for this contract will be handled under the pro-  cedure approved by the Director of Central Intelligence on 15 December 1956  which, in effect, results in all covert expenses involving issuance of Treasury  Checks being accumulated in a separate account within the Finance Division. The  amounts in this account will be periodically scheduled for certification of the  vouchers by the Director. This procedure eliminates the necessity for a sepa-  rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.</p> <p>The following comments describe the procurement hereby effected, the  terms and provisions generally of this contract/amendment, and a resume of  major issues negotiated:</p> <p>Task Order No. 10 covers fabrication and delivery of photographic  processing and exploitation equipment <span style="border: 1px solid black; display: inline-block; width: 100px; height: 1.2em; vertical-align: middle;"></span> NPIC. Amend-  ment No. 5 has been drawn to extend the term of the task order to  31 October 1964.</p>
